TRALEE CO. KERRY IRELAND

In 1993 Enable Ireland sowed a seed of support for the community in Kerry. Since then, our team has worked tirelessly to ensure that Kerry children with disabilities get every possible opportunity to achieve their potential. As a result, demand for our children's services has grown to such an extent that in 2010 we made an even stronger commitment to current and future generations of children in Kerry.

With the building of a brand new much-needed children's centre in Tralee. This new state of the art centre is an expensive new venture, as we received no state funding. In these difficult times, we face a real challenge in meeting our repayments.

By supporting Checkout for Kerry Kids you can help children and young adults with physical disabilities in County Kerry
